### Sound Management for Hearing Impaired Children and Adults

Tips:

- Book **hearing assessments** for children/adults **without hearing aids**.
- Book **hearing aid evaluations** for children/adults **with hearing aids who are seeing Chear for the first time**.
- Book **hearing aid reviews** for children/adults **who have been fitted/seen previously by Chear**.
- The **under/over 5 years is a guide only**. Children with cognitive delay/complex needs may need to be seen by 2 clinicians.
- If in doubt, book longer time and confirm with a clinician.
